

Zodiac Stones

Traditionally certain gemstones are associated with times of the year – this may have grown from pagan beliefs and the association of certain traits and colours with one’s birthdate. This has evolved into the modern day internationally recognised zodiac birthstones, i.e. birthstones associated with the signs of the zodiac. A list of these can be found below.

	Capricorn (Dec 22- Jan 19)		Agate, Garnet, Lapis lazuli
	Aquarius (Jan 20 – Feb 18)		Amethyst, Garnet, Turquoise
	Pisces (Feb 19 – Mar 20)		Amethyst, Bloodstone, Quartz
	Aries (Mar 21 – Apr 19)		Bloodstone, Jasper
	Taurus (Apr 20 – May 20)		Amber, Turquoise
	Gemini (May 21 – June 20)		Agate, Pearl, Tiger eye
